

Dengue awareness rally

Dengue Awareness Rally was performed on 24th and 25th September 2018 at Gollala Yendada and Jalaripeta by the doctors and students of GIMSR. The program was organized by the NSS Unit 17 Wing as an initiative for the benefit of villagers in and around GIMSR Medical College and Hospital.

The doctors and students of GIMSR visited around 150 of the local houses and created practical awareness on preventive measures on dengue and enlightened them of the signs and symptoms of the disease and reassurance given to them not to panic in case of any emergencies and to visit GIMSR HOSPITAL for immediate treatment at free of cost. Information Handouts were given to the villagers and free medical camp was conducted in which around 150 patients were treated.
