

PUBLISHED BOOK & BOOK CHAPTERS

S.NO	Year	NAME OF THE AUTHORS	BOOK CHAPTER TITLE	Indexing
1.	2023	Dr.Nukala Srikrishna Dr. Srinivas Singiseti Dr. Niveditha Vasireddy Dr. Abhilash Garipati Dr. Vidya Sanapala Dr. Ramya Spandana Tata	Name of the Book: Clinical Psychiatry Made Easy Editor: Dr. Nukala Srikrishna Publisher White Falcon Publications, First Edition, 2023 ISBN- 979-8-89222-042-2	-
2.	2023	Dr. Payala Vijayalakshmi, Dr. Indugula Jyothi Padmaja, Dr. M. Kiranmai Reddy, Dr. K.V.N Suresh Reddy, Dr. Srinivas R Popuri, Dr. T. Srinivas, Visakha Singh	Name of the Book: Hybrid nanomaterials for sustainable applications: Case studies and Applications Title of the book Chapter: Roles of microbes and composite materials in the remediation of Industrial waste water. Publisher: Elsevier. Citation details: Micro and Nanotechnology series. Chapter 16, May 2023, Vol. 1, Page 376-402. https://doi.org/10.1016/B978-0-323-98371-6.00007-0	Scopus, Web of science, DOAJ, EMBASE, SCIE
3.	2022	Dr. Harini Mullapudi. Dr. Saraswathi AV	Name of the Book: Perspective of Recent Advances in Medical Research Title of the book Chapter: A Prospective study on Malignant Otitis Externa in a Tertiary Care Teaching hospital, India Citation details: BP International Dec 2022. Vol. 2, Chapter 11. Print ISBN: 978-81-960551-7-2, eBook ISBN: 978-81-960551-6-5	Index copernicus
4.	2022	Dr. P. Vijayalakshmi, Dr. I. Jyothi Padmaja, Dr. A. Rajani Chowdary	Name of the Book: Current perspectives in Agriculture and Food science . Title of the book Chapter: Bacteriological quality, safety and anti-microbial resistance of microorganisms isolated from various animal derived food products. Citation details: BP International Dec 2022. Vol. 1, Chapter 18. Print ISBN: 978-93-5547-951-8, eBook ISBN: 978-93-5547-952-5	Index copernicus
5.	2022	Dr. Sindhura Nagisetty, Dr. Jillella Naga Sreenivasulu, Dr. Vijaya Bhaskara Rao Janapareddi , Dr. Tulasi M. Thotakura	Name of the Book: Issues and Developments in Medicine and Medical Research. Title of the book Chapter: Determination of Knowledge, Attitude and Practice in Pharmacovigilance among Clinical Post Graduate Students in a Teaching Hospital, Vizianagaram, Andhra Pradesh, India. Citation details: BP International 2022. Vol. 1, Chapter 12. Print ISBN: 978-93-5547-249-6 eBook ISBN: 978-93-5547-257-1	Index copernicus

PUBLISHED BOOK & BOOK CHAPTERS

6.	2022	Dr. Hema Prakash Kumari, Dr. P. Vijayalakshmi	Name of the Book: Gallstones Title of the book Chapter: Infections of Biliary tract. Citation details: Intech Open, UK. 2021. Vol. 1, Chapter 4, pp. 152-162. Print ISBN: 978-1-83880-675-0 E ISBN: 978-1-83880-677-4	Web of science
7.	2022	Dr. A. Rajani Chowdary, Dr. P. Vijayalakshmi, Sushma Sharoon	Name of the Book: Foodborne Pathogens - Recent Advances in Control and Detection Title of the Book Chapter: Tools for rapid detection and control of food borne microbial pathogens. Citation details: Intech Open, UK. 2022. Vol.1, Chapter 1, pp. 1-10. DOI: 10.5772/intechopen.103938	Web of science
8.	2021	Valsalayam Raghavanicker Sanal Kumar, Shiv Kumar Choudhary, Dr. Pradeep Kumar Radhakrishnan, Rajaghatta Sundararam Bharath, Nichith Chandrasekaran, Vigneshwaran Sankar et al.	Name of the Book: Cardiac diseases. Title of the Book Chapter: Internal Flow Choking in Cardiovascular System: A Radical Theory in the Risk Assessment of Asymptomatic Cardiovascular Diseases. Citation details: Intech Open, UK. 2021. Vol.1, Chapter 18, pp. 378 Print ISBN: 978-1-83968-161-5 E ISBN: 978-1-83968-163-9	Web of science
9.	2020	Dr. Pradeep Kumar Radhakrishnan, Gayathri Ananyajyothi Ambat, Nihaz Nazer and Nazer Yoosuf Abdul	Name of the Book: Cardiac diseases Title of the Book Chapter: Nonresectional-Graded Neo Chordal Dynamic Repair of Mitral Valve: Stress Analysis Induced Surgical Innovation. Citation details: Intech Open, UK. 2021. Vol.1, Chapter 16, pp. 259 Print ISBN: 978-1-83968-161-5 E ISBN: 978-1-83968-163-9	Web of science
10		Dr. KVV Satyanarayana Dept. of ophthalmology	Handbook on Retinal Venous occlusion	
11-19	2022-23	Dr. D.K.V.Prasad, Associate Professor, Department of Biochemistry	Books 11. Prasad D and Santhosh Sushma P, (Eds) Role of MicroRNAs in Cancers. Springer, Singapore, 2022-23. Book Chapters 12. Prasad, D., Santosh Sushma, P. (2022). Introduction to MicroRNAs. In: Prasad, D., Santosh Sushma, P. (eds) Role of MicroRNAs in Cancers. Springer, Singapore. For the year 2023(JAN-DEC)
